General

The School year is divided into four terms, beginning in January, April, July and October. The year's fees for Year 12 students will be invoiced and payable during the first three terms of their Year 12 year.

Fees for all other Years will be invoiced and payable at the commencement of each of the four terms.

All fees are payable in advance. The last day for payment of fees in any term is the tenth School day after the term begins.

Note: Fees are reviewed and increased annually by The Council of Barker College.

Concessions

- In respect of both Tuition and Boarding fees, if the full annual fee is paid by the due date of Term 1 fees, then a 1.5% discount on the annual fees will apply.
- A reduction of 5% will apply in the case of each subsequent child attending the School at the same time as their older sibling. To be eligible for the reduction, children must be in attendance simultaneously.
- Special provision may be made for the children of Anglican clergy in certain circumstances.

Withdrawal

Attention is directed to the necessity of giving the Head of Barker College a full term's notice in writing of the intention to withdraw a student from the School. In default of such notice, one term's fees will be payable (+GST).

Students accepted for boarding places are expected to continue to attend the School as Boarders. Boarders may only become day students with the approval of the Head of Barker College and then only at the end of a School year and after a term's notice in writing has been provided. In default of such notice, one term's boarding fees will be payable (+GST).

Policy Changes

The Council of Barker College may, at its discretion, amend or discontinue any existing policy or procedure; or introduce a new policy or procedure, to respond to changes in legislation or as it deems necessary from time to time. You are invited to contact Barker College's Enrolments Office at any time to seek clarification of any changes to the School's Enrolment Policy which may have occurred.
