Re: Latest school protocols for Saturday sport

The easing of some COVID-19 restrictions means the following for spectators:

- There are no restrictions regarding the number of spectators for a game held outside.
- For games held indoors we need to monitor the number of spectators so that we are compliant with indoor space ratios.

What we need from you if you are coming to watch a game:

1. Spectators must sign in using the Services NSW App or write your contact details on a list available. Staff will circulate on the day to check that you have been able to sign in.
2. Spectators are encouraged to remain 1.5m from people they do not live with or associate with regularly.
3. Spectators and players are asked to vacate the property as soon as possible after the game has concluded.
4. Space is limited inside McGrath Hall for spectators. All spectators must be seated in the available seating. There are no standing spectators allowed in McGrath Hall. Your understanding is appreciated in this regard.
5. In order to keep our staff as well and as safe as possible, spectators are asked not to engage with coaches and/or referees unless absolutely necessary.
6. At this stage it is unlikely that food and beverage services will be available on the day.

CHEV Bus Travel:

- Any student or staff member who presents with flu-like symptoms will not be allowed to travel.
- Students need to be advised to bring food and water for the whole day. Special arrangements have been made for students to eat and drink on buses, but buses will need to be kept free of rubbish.
- No stops for food (Maccas) on any trip.
- Staff and students are advised that face masks are recommended on chartered coaches/buses when in the Greater Sydney Zone.
- Students are expected to supply their mask which is required for bus travel in Greater Sydney.
