Dear Parents/Guardians

It is important to note that Schools have different protocols in place for the safe provision of sport; please be aware of these. Again, if your daughter has any symptoms or if they have visited any identified locations where cases have been confirmed, please do not let them play and contact your daughter's Co-curricular Coordinator to advise as soon as possible.

This weekend sees our Girls' teams playing against various schools, each with different COVID-19 sports' protocols. It is extremely important that you carefully check and follow the procedures for your venue.

Please use the following steps for finding the relevant Sports fixture protocols:

- Check the sports fixtures on the Barker website to find out where your child is playing <https://www.barker.college/barker-college-sports-fixtures>
- Please refer to <https://www.barker.college/news-events/latest-news/latest-information-coronavirus-covid-19> for the school entry points.
- If your child has an away sports fixture, please check where they are playing and refer to <https://www.barker.college/news-events/latest-news/latest-information-coronavirus-covid-19> for the protocols for each of the venues. A summary of the protocols for this weekend's round of fixtures are listed below.

Chevalier College

- There are no restrictions regarding the number of spectators for a game held outside.
- For games held indoors the number of spectators will be monitored to be compliant with indoor space ratios.
