

Welcome to Barker Aquatics swimming squads held at Hornsby Aquatic and Leisure Centre. Our coaching team look forward to working with you and your child/ren.

Aquatics Vision: A united approach for the success of all aquatic sports.

Aquatics Mission: To increase participation in all aquatic sports.

Barker Values: Commitment, Compassion, Courage, Integrity, and Respect.

Joint Training Sessions:

Squads and Coaches will be working together on specific sessions. This will help strengthen the whole program and allow squads to mix with other athletes and Coaches on a regular basis.

Barker Aquatics Squad Booking System:

All of our squad bookings are run through our online customer portal "UDIO". Now that your squad booking is active in our system, you will receive an email with login details.

Swimmers must be booked into ALL sessions they attend at Barker Aquatics, this includes make up sessions and/or new sessions outside of their regular booking. This can simply be done via the online portal, providing there are spots available in that session.

The Parent Portal will only allow bookings for sessions that are not already fully booked. This will ensure that sessions are not overbooked and overcrowded. **Swimmers who turn up to a fully booked session and are not booked in, may not be able to swim if there is no pool space available.** For this reason, please ensure your squad's bookings are up to date and accurate.

Likewise, if you know your child will miss a squad session, there is a function to 'cancel' for that date. This allows others to book a make-up session in your child's spot for this day. **In this case be careful not to remove the booking altogether for this day.**
