Respect

We acknowledge the Dharug, Darkinjung, Wonnarua and Yolŋu peoples who are the traditional custodians of the land on which Barker College, Darkinjung Barker, Ngarralingayil Barker and Dhupuma Barker stand.

We pay respect to the Elders past, present and emerging of the Dharug, Darkinjung, Wonnarua and Yolŋu nations and extend that respect to other Indigenous people within the Barker College community.

A Message from Key School Bodies

Barker College is a vibrant community which aspires to be a place of belonging for all. And the most important people in that community are Barker's current students.

Through the dedication and skill of its teaching and support staff, Barker's principal focus is, indeed always has been, on the students in their academic outcomes, in their participation in sports and other co-curricular activities, and in facilitating their pastoral care and wellbeing. All of this is guided and informed by the Christian framework within which the School has always operated since Barker's first Head, Rev. Henry Plume, founded the School in 1890 at Kurrajong Heights.

The year just passed has been another significant year in the life of the School.

As Term 1 2023 ended, the School had occasion to farewell and to give thanks to two great servants of Barker College, Sue Field and Matt Macoustra.

For nearly five decades, Sue Field was a symbol of strength and conscientious leadership at Barker. She was one of the earliest female educators at the School, helping to establish so many traditions — in sports, co-curricular leadership, in Science, student leadership and the academic program. Her role as Deputy Head from 1996 brought stability, wisdom and strength for all.

Since 1997, Matt Macoustra had been an outstanding teacher of PDHPE, Science and Biology. He was Director of Boys' Sport, Head of Middle School and Deputy Head Student Experience. Matt's appointment as the Head of Newcastle Grammar affirms our belief that he is a leader of the highest calibre and has been a blessing to Barker.

This year we celebrated the announcement that our Head of Barker College, Phillip Heath AM, was named School Principal of the Year (non-government) and also achieved the much-lauded award of Australian School Principal of the Year at the 2023 Australian Education Awards. Each year, the Australian Education Awards showcase the top performing schools and school leaders for their outstanding achievements and transformative work that makes a profound difference to the lives of young people across Australia.

The School was also delighted to be recognised as an Employer of Choice in the Australian Business Awards 2023. This ABA Employer of Choice citation, along with already being recognised as Employer of Choice in the Education Industry, continued to strengthen our School, placing Barker College on an equal platform with organisation across all industries, not just the education sector. There were 64 organisations named across all industries in Australia and Barker had the honour of being the only school.

The opening of the Senior School Hub was a landmark project that led the way for sustainable education buildings and importantly is a building where learning is celebrated, staff are supported and wellbeing is allowed to thrive.

The number of Top Band scores (Band 6 or E4) rose significantly in 2023. Our students achieved 552 Top Band results in a wide range of subjects. These top band scores were awarded to 229 of our 335 students. This means that over two thirds of Barker students achieved a Band 6 or E4 result in one or more subjects. These improved scores took Barker's overall ranking score from 50 in 2022 to 37 in 2023. The overall ATAR results were also very strong, with more than 20% of Barker students achieving an ATAR over 95. We also saw a significant increase in the number of students gaining an ATAR of 90 or above — rising from 34.5% in 2022 to 40.40% in 2023.

New academic initiatives, including ReAL Time (a responsible Approach to Learning) was introduced during the year, allowing students in Years 7 and 8 to have allocated time (12noon — 12.30pm) on a Monday or Tuesday, time to focus on the process of learning. A change to the timetable in 2023, has also enabled students and staff across the Middle School year groups to have their chapel time in the School Chapel. This had not been possible in previous years.

In the Senior School, student leaders introduced a new initiative called Workshop Wednesdays. These workshops were student nominated and led on topics of interest leading up to the HSC Trials.

For the first time Barker Robotics teams competed in each of the world championship events — FRC World Championship, VEX VRC World Championship High School Division and VEX IQ World Championship Elementary School Division. Six of our students from Dhupuma Barker in North East Arnhem Land, also competed as the first ever Australian Indigenous team, the first from Northern Territory and the first from Remote Australia, as they participated in the World VEX IQ Championships.

The Dhupuma Barker Djirikitj Firebirds surpassed all expectations and the School is delighted with the growth and interest in the Robotics program across all three Indigenous campuses in 2023.

2023 also marked our full membership of the Round Square group of global schools. The first delegation attended the International Conference in Nairobi, Kenya, and there are exciting opportunities ahead for our students. The launch of the Year 10 Character and Enterprise initiative promises something quite brilliant in our future curriculum offering.

In this business-as-usual year, we have excelled in debating, in STEM and in Gifted Education, we have published student works, received numerous citations for public Exhibitions of Year 12 works, selected a new Student Information System and academic dashboard, set ever higher standards of classroom teaching and, through the Barker Institute, become a place of excellence in educational research and thinking.

The community of schools like Barker enjoy the privilege of safety and security that are not experienced by all students in Australia nor across the world. In 2023, we expressed our awareness of these blessings by creating a Humanitarian program. In 2024 we look to launch the Marri Mittigar School-within-a-School initiative, for the children of refugees.

Together with our extensive work in closing the Gap for First Nation Australians, these initiatives are a way of ensuring that Barker looks beyond the Mint Gates to be a blessing to this world, not only to our own community.

The most significant achievements of 2023 included the following initiatives:

- Academic Focus and the development of Academic Grit.
- Implementation of Academic mentoring for Middle School students.
- Extension and promotion of enrichment and extension opportunities for gifted students across a range of subjects.
- Development of accelerated programs for students in Year 10 to complete Preliminary Courses and then complete an HSC Course in Year 11.
- The Liff Project at Barker (Liff@Barker), incorporating Raising Respect and Respect at work.
- Expanding the Refugee/Humanitarian Program.
- Completion of the Senior School Hub.
- Registration for an expanded Middle Years program at Dhupuma Barker in Gunyangara.
- A new Curriculum Team structure in the Secondary School, especially giving attention to the Student Dashboard, Engage, myBarker and the coordination of the academic program with the busy Barker experience.
- Implementation of Round Square across the School.

Priority Areas for 2024

- Further development of data analysis team to improve the collection and analysis of student data to allow for meaningful measurement and evaluation of student growth, performance and wellbeing.
- Continued development of Character and Enterprise program and Round Square approach to learning for Year 10 and to conduct a pilot program in 2024.
- Continue to grow our Consent Education program. Engaging with student voice will be a key focus for the year.
- Maintain 5-star rating as an Employer of Choice and Mental Health First Aid Australia Gold Badged Skilled Workplace and a Workplace Gender Equality Employer ratings
- Further research into ESG protocols, addition of more solar panels and investigation into the feasibility of batteries to store the solar energy produced.
- Necessary measures to be taken to address some of disability access issues across the School in our heritage spaces.
- The commencement of Marri Mittaggar Special Interest School for refugee students.
- Establishment of a teacher excellence pathway, specifically, the implementation of an additional Barker Band 4 and Barker Band 5 classification, creating a remuneration system to reward teachers who remain in the classroom and who demonstrate a commitment to improving their professional practice by delivering effective, timely and responsive pedagogy, excellence in classroom teaching.

School Context

A Barker education is shaped by our focus on preparing for a life beyond the School gates. For us, that's a world where all people live, work and learn together. Coeducational schools affords students the opportunity to work and learn together, to be inclusive and respect diversity. Barker is a fully coeducational school where we seek to expose our students to diverse opportunities and experiences, so that they are able to develop resilience and adaptability within a supportive environment.

Why a Barker education?

We have an abiding commitment to a strong academic program, effective pastoral care delivered in a Christian setting, opportunities and choice for all. Barker's curriculum is adaptive and flexible, allowing for student choice and catering for interest and ability. Our students are taught to think critically, apply knowledge in new situations and develop the skills needed to become lifelong learners. Our curriculum develops the knowledge and skills needed by our future leaders; it challenges students and prepares them for a future that is in many ways undefined.

A Global Reputation

Shaping character is at the heart of great education and has always been an important part of the Barker journey. With membership in Round Square, Barker College joins 230 schools across 50 countries that collaborate to offer world class experiences that develop global competence, character and confidence for both students and staff.

The School enjoys a global reputation of making significant contributions to the education of students, in particular in the area of STEAM and Robotics. In 2022, Barker College was admitted to the Robotics Hall of Fame, the only school outside the United States to achieve this recognition. Continuing the vision to inspire global hope, the Robotics team shares knowledge and understanding with teams around the world, supporting the development of teams in remote Australia and in third world countries.

Co-curricular Program

The experience inside the classroom is only one part of a Barker education. Co-curricular activities deepen the school experience for all our students, and from the arts to the sporting field, students are encouraged to challenge themselves and uncover their talents.

As well as Drama, Music, Cadets and over 20 different sports, Barker students can challenge themselves in the areas of robotics, debating and public speaking.

Our students also take part in compulsory Outdoor Education Camps. In this unfamiliar environment, students connect with the natural world while building leadership and teamwork skills.

Sport is an integral and compulsory part of school life at Barker College. Set on 50 acres, Barker students are offered a wide choice of sports and benefit from the excellent sporting facilities available to them.

School Performance in National and State-wide Tests and Examinations

Higher School Certificate

In 2023, one student, Caleb Stace, achieved an ATAR of 99.95. The School is incredibly proud of his hard work, commitment and this outstanding result. Nicholas Bradshaw achieved a first in course for English Standard. This year there was a significant increase in the number of Band 6s across subjects. In some subjects, the number of Band 6s more than doubled. This is an extraordinary achievement and testament to the academic care provided and the hard work of the Class of 2023.

In addition, there were 21 All-Rounders (achieving top Band results in 10 or more units).

Professional Learning and Teacher Standards

Teaching Standards

Numbers of teachers at Barker College are listed below for 2023:

Category	Number of Teachers
Teachers who have teaching qualifications from a higher education institution within Australia or as recognised within the National Office of Overseas Skills Recognition (AEI-NOOSR) guidelines	361
Teachers accredited at Proficient Teacher in 2023	8
Teachers accredited at Experienced Teacher (AISNSW MEA) in 2023	12
Teachers accredited at Highly Accomplished at Barker College	5

Teacher Participation in Professional Development

Leadership

Several professional development initiatives were sustained during the year including the Middle Leaders' Course offered in partnership with The Training Guys. A significant number of middle managers at the School completed this course and a number targeted to complete this in the next twelve months. Further professional leadership initiatives include staff in leadership positions who have engaged in the AISNSW Flagship Leadership programme. Heads of Department and leaders in the Junior School were also involved in a leadership course for middle managers that was specifically designed to respond to the School's context and middle leadership requirements as these relate to the implementation of the International Baccalaureate IB Primary Years Programme (PYP) for children aged 3 – 12.

Coaching

Staff new to the School continue to be provided with staff mentors and a teacher coach. All staff have access on request to trained teacher coaches. Coaching resorts under the College of Teachers. The College of Teachers brings together the skills and experiences of Barker teachers in coaching conversations guided by the Lead Coaches which is an important component of professional learning across the school. The School has also implemented an External Coach Panel of 5 experienced coaches across a variety of speciality areas. Teachers are able to apply for 1:1 or team coaching and approximately 8 teachers have participated in this coaching this year.

Technology

In addition, the Digital Learning team continue to increase staff capacity in a range of teaching and learning and ICT professional learning opportunities. Teachers are provided upskilling in a range of IT platforms including Microsoft Teams, One Note, Canvas and SeeSaw.

Indigenous Education

The work in Indigenous education continued for staff, particularly those working at the three Indigenous Barker campuses in NSW and the North Territory. In addition, the iSTEAM pathway from K-12 ensures that students are prepared for future careers in these areas. The Robotics' program continues to develop student thinking and creating in this area, supported by staff. Our students continue successfully to participate in competitions where transfer of skills and knowledge developed in the classroom is applied to real-life contexts. Thus, professional learning made available for teachers in the iSTEAM program has focused on developing learning and skills in these important areas of student learning and understanding.

Mental Health First Aid

Staff continue to be trained in Mental First Aid as a part of an ongoing training process to upskill knowledge and skills around Mental Health.

Higher Education

The School actively encourages teachers to seek further qualifications in their subject domain or in the field of education. Teaching and support staff are engaged in post-graduate study in the areas of teaching and learning, pastoral care and educational management. Teachers are supported in developing their full professional potential through induction, mentoring and coaching programs for staff, particularly to extend professional capacity and ability.

HSC Marking

Teachers in a range of subject areas have continued to be involved in the Higher School Certificate marking operation either as examiners, judges, senior markers and markers. Teachers at Barker represented the School and the independent school sector at the AISNSW and NESA committees and review groups.

New Staff to Barker Professional Learning Program

Beginning and new staff were supported to thrive within the Barker College in 2023 through a comprehensive professional learning program. This included:

- Mandatory online courses covering general processes and procedures, Child Protection, Work Health and Safety, Digital Learning, introduction to PYP and the official IB recognised training course (Junior School).
- New Staff to Barker College Support Program with a subject or grade co-ordinator Mentor and an assigned Teacher Coach.
- Beginning teachers commencing at Barker were involved in a targeted professional learning program involving regular coaching conversations with a Lead Teacher Coach, class observations, and termly group meetings with other beginning teachers.

Professional Learning and Teacher Standards

Teacher staff Professional Growth

All Barker staff were involved in individual feedback and reflection processes, as well as participation in Barker designed professional learning as part of their professional learning journey. This included:

- Thrive at Barker Staff Reflection Form
- At the commencement of each year, staff complete a goal setting and reflection form that includes, strengths, challenges, focus areas for professional learning, career aspirations and goals for professional development. At the end of the year, staff complete the form with a reflection on the past year.
- Professional Conversations
- Each Semester, staff participated in a professional conversation with a direct leader to discuss teaching and learning growth and career development.
- Professional Learning Log
- A bespoke program of professional learning at Barker is provided where staff are offered a vast array of learning opportunities including live presentations, recording, online courses and more. Participation is logged in a Barker professional learning journal.
- Student Teaching and Learning Survey — teachers receive feedback from students about their ability to learn and grow in the specific class. Teachers can then use this feedback to work together with the student to improve learning outcomes.

Accredited Professional Development: NESA Endorsed Provider

The School continues to be an accredited NESA Endorsed Provider which enables accredited teaching staff at Barker College at the level of Proficient Teacher to complete NESA accredited hours through professional learning at Barker College. The following professional development activities were undertaken by staff in 2023:

Description of Professional Learning Activity	No. of Staff Participating
Senior staff: Skills and strategies in leadership to support staff development, faculty management, and student learning outcomes	85
<ul style="list-style-type: none"> • Teaching staff across the Junior and Senior school undertook professional learning that fulfilled the requirements of the NESA Priority areas and aligned with Barker's Strategic Plan and the Teaching and Learning Framework. This included: • Subject-related knowledge and skills • Educating students with identified and specific learning needs • Aboriginal education and supporting Aboriginal students • Student well-being and mental health • Primary Years' Programme • Information Communication Technology • School strategic teaching and learning initiatives 	361

Student Attendance and Retention Rates

Student Attendance Rate

The attendance rate percentage has been calculated for each year group by taking the total number of days absent and dividing it by the total number of school days students were expected to attend.

As part of the duty of care of Barker College to its students, the School maintains processes to ensure it is aware of the daily attendance of each student and promptly notifies parents of unexplained absences from School. It is a requirement that records be kept by each teacher of their class absences and pastoral carers regularly receive reports on these records so that they can monitor non-attendance.

	2023 Attendance Rate (%)	2022 Attendance Rate (%)	2021 Attendance Rate (%)
K0-KG	94.68%	90.60%	95.53%

12	90.34%	87.25%	92.22%
Overall	92.65%	89.34%	-

Student Retention Rates

The actual retention rate has been calculated by taking the roll of students for an initial year and deducting all students who are not on the roll for a later year. For example, this would identify the number of students who were enrolled in Year 10 who have continued to Year 12 at the same school. The apparent retention rate is a comparison of total enrolments in each year level in any one year.

Years Compared	Yr 10 enrolment on Census Date ¹	Yr 12 enrolment on Census Date	Yr 10 enrolment on Census Date remaining in Yr 12 on census date ²	Apparent Retention Rate	Actual Retention Rate
2013 / 2015	354	338	327	95.5%	92.4%
2014 / 2016	328	323	318	98.5%	97.0%
2015 / 2017	351	345	333	98.3%	94.9%
2016 / 2018	351	344	336	98.0%	95.7%
2017 / 2019	363	354	349	97.5%	96.1%
2018 / 2020	356	350	336	98.3%	94.4%
2019 / 2021	355	348	337	98.0%	94.9%
2020/2022	358	358	345	100.0%	96.4%
2021 / 2023	357	337	328	94.4%	91.9%

While the actual retention rate is usually fairly constant the Apparent Retention Rate fluctuates from year to year. When students leave from Years 10 or 11, the School tries to offer their place to a new student, sometimes resulting in a retention rate of more than 100%. Sometimes, during the course of the three years, the School has taken in more students overall than were initially enrolled. The majority of students who leave do so because of a change in family circumstances (e.g. have relocated to another state or country) or they have left to pursue TAFE or vocational training.

¹ Enrolment Numbers are taken on the Commonwealth Census Date each year

² Y12 Students who were enrolled on the Census Date in Year 10

Post School Destinations

In 2022 two students left before the completion of Year 12 to go into the workforce. 318 students of the class of 2022 received offers from UAC for places in NSW universities. 131 of these offers were made for double degree courses. This represents 91% of the total Year 12 cohort. This data does not reflect students who accepted offers for interstate universities. A number of students did not apply for a university place. Instead, they applied for TAFE, Private Colleges or Overseas Universities) while the remainder went to unknown post-school destinations.

Enrolment Policy

The Enrolment terms are set out as below, as a way to inform parents and prospective applicants regarding our process and procedures for enrolling their child at Barker College.

1. Enrolment Information

Entrance to the School is normally in Pre-Kindergarten, Kindergarten, Year 3, 5 and 7. Entrance at other year levels is limited to vacancies which may occur from time to time.

Barker is not registered as an education provider for students holding student visas. Parents/guardians who are permanent residents of Australia or who hold a visa which allows their child to undertake education while in Australia are welcome to apply to go on the Registration List.

2. Application to go on Registration List

Parents/guardians wishing to enrol their child at the School must complete an Enrolment Registration Form, submit it with the documents listed on the Registration Form and pay the Application Fee of \$330 (incl. GST). The School will then place the child on the Registration List. A child will not be placed on the Registration List unless all requested documents are provided and the Application Fee paid. Being on the Registration List does not guarantee a place for the child.

The Council of Barker College sets the Application Fee and the other fees payable during the enrolment process and reviews these from time to time.

3. School's Considerations

When considering making offers of a place at the School, the School may give preference to:

- siblings of students attending the School;
- children who are descendants of a former student of the School;
- children whose families can demonstrate an active involvement in a Christian congregation; and/or
- children whose families are transferring from interstate or overseas.

4. Selection of Students

At some time decided by the School after a child has been placed on the Registration List, the School will undertake an assessment process. As part of the assessment process, the School may:

- ask the parents/guardians to provide more information about the child;
- invite the parents/guardians to bring the child to the School for an interview.

5. School not obliged to make offer of place

The School reserves the right not to offer any child a place at the School or to defer the offer of a place to any child at its discretion but particularly when the parents/guardians, having been aware of their child's specific educational needs, decline to declare those needs, or withhold relevant information pertaining to their child.

6. Offer of a place

At the satisfactory conclusion of the assessment process, the School may make an offer to the parents/guardians to enrol the child. To accept the offer, the parents/guardians must, within 14 days of receiving it, deliver to the School:

- a. the Acceptance Form which includes acceptance by the parents/guardians of the then current Conditions of Enrolment;
- b. the non-refundable Admission Fee

For entry into Year 10, the Admission Fee is \$2,800. For Junior and Middle School entry, the Admission Fee is \$4,500.

Failure to reply within the required time may result in the position being re-offered where other children are waiting for entry to the School.

The School may terminate an enrolment, before or after the child commences at the School, where there are insufficient resources to deal with a child's needs and where the parents/guardians have not declared or have withheld known information pertaining to their child's needs.

If an offer of a place is declined or not accepted, the parents/guardians, should they wish to reapply, must complete an Enrolment Registration Form and otherwise comply with all the usual requirements, including payment of relevant fees.

Where places are not available in the desired year of entry, the School may offer to put the child's name on a short registration list for entry to that Year group. When places become available, children on the short registration list may be offered a place in order of date of application.

7. Other Aspects of Enrolment

Parents/guardians applying for a place for their child to enter Pre-Kindergarten, Kindergarten, Year 3, Year 5 or Year 7 will be offered a Confirmed Place on date of application. A Confirmation Fee of 50% of the current Admission Fee is required to hold the place until the child commences in the grade offered. Payment of this Confirmation Fee holds a place for these entry points only and is not refundable or transferable.

Once all Confirmed Places are filled, applicants will be placed on a waitlist.

8. School Fees

Fee invoices are issued prior to the commencement of each Term and are payable within the first ten days of the Term, unless an arrangement has been made to pay fees in full at the commencement of the year, or by direct debit either fortnightly or monthly across a prescribed period. All School fees and charges are reviewed on an annual basis.

9. Changing Details for Your Child

All correspondence regarding the enrolment of a student should be addressed to the Director of Enrolments or email enrolments@barker.nsw.edu.au

If you wish to change the year your child is due to start at the School, please send written details including your child's full name, address, current starting date and school Year Level and the proposed new starting date and school Year Level.

10. Standard Data Collection Notice

10.1 The School collects personal information, including sensitive information about students and parents/guardians before and during the course of a student's enrolment at the School. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the School to provide schooling to students enrolled at the School, exercise its duty of care, and perform necessary associated administrative activities, which will enable students to take part in all the activities of the School.

10.2 Some of the information we collect is to satisfy the School's legal obligations, particularly to enable the School to discharge its duty of care.

10.3 Laws governing or relating to the operation of a school require certain information to be collected and disclosed. These include relevant Education Acts, and Public Health and Child Protection laws.

10.4 Health information about students is sensitive information within the terms of the Australian Privacy Principles (APPs) under the Privacy Act 1988. We may ask you to provide medical reports about students from time to time.

10.5 The School may disclose personal and sensitive information for educational, administrative and support purposes. This may include to:

- other schools and teachers at those schools;
- government departments;
- medical practitioners;
- people providing educational, support and health services to the School, including specialist visiting teachers, coaches, volunteers, counsellors and providers of learning and assessment tools;
- assessment and educational authorities, including the Australian Curriculum, Assessment and Reporting Authority;
- people providing administrative and financial services to the School;
- anyone you authorise the School to disclose information to; and
- anyone to whom the School is required or authorised to disclose the information to by law, including child protection laws.

10.6 Personal information collected from students is regularly disclosed to their parents/guardians.

10.7 The School may use online or 'cloud' service providers to store personal information and to provide services to the School that involve the use of personal information, such as services relating to email, instant messaging and education and assessment applications. Some limited personal information may also be provided to these service providers to enable them to authenticate users that access their services. This personal information may reside on a cloud service provider's servers which may be situated outside Australia.

10.8 The [School's Privacy Policy](#), accessible on the School's website, sets out how parents/guardians or students may seek access to and correction of their personal information which the School has collected and holds. However, access may be refused in certain circumstances such as where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the School's duty of care to the student, or where students have provided information in confidence. Any refusal will be notified in writing with reasons if appropriate.

10.9 The School's Privacy Policy also sets out how parents/guardians and students can make a complaint about a breach of the APPs and how the complaint will be handled.

10.10 The School may engage in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in the School's fundraising activities solely for that purpose. We will not disclose your personal information to third parties for their own marketing purposes without your consent.

10.11 On occasions information such as academic and sporting achievements, student activities and similar news is published in School newsletters and magazines, on our intranet and on our website. This may include photographs and videos of student activities such as sporting events, school camps and school excursions.

10.12 If you provide the School with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the School and why.

If you have any question or require further information, please initially contact the School's Privacy Officer by email at privacy@barker.nsw.edu.au

11. Enrolment Conditions

If the School offers parents/guardians a place at the School for their child, they will be asked to agree to the School's then current Enrolment Conditions. These are the current Conditions but they may change before an offer of a place is made.

Fees

11.1 We agree to pay to the School all fees for tuition, extra subjects, educational and school related activities (including excursions and camps) and the supply of goods and services to our child as determined by the Council of Barker College and as published in the Fee Schedule from time to time.

11.2 We understand that all fees are payable on or before the expiry of ten days after the commencement of each Term. If we fail to pay an account for fees and/or charges by its due date, we agree to pay an Administration Fee. The Administration Fee is currently \$330 (inc. GST) per occurrence and reflects the administrative costs to the School in collecting outstanding fees.

11.3 If an account for fees and/or charges is not paid in full by the end of the Term to which those fees and/or charges relate, we understand that our child's enrolment may be suspended and the School may subsequently, without further notice, refuse entry to our child or terminate the enrolment.

11.4 We agree that a full Term's notice in writing must be given to the Head of Barker College if we intend to remove our child from the School. This means that we should give the notice before the commencement of the School Term at the end of which our child is to leave. As an act of grace, the School will accept the notice up until the end of the first week of the Term. We accept that, if the notice is not given within this time, we will be required to pay a Term's fees plus GST to compensate the School for the loss it will suffer because we have not given the required notice.

11.5 We understand that no remission of fees, either in whole or in part, will be made if our child is absent due to illness, leave or suspension.

12. Expectations

12.1 We authorise the School to incur expenditure on our behalf such as the purchases of books, software, stationery and equipment, and to charge the appropriate cost, in relation to our child, to our Family Account in the School's Debtors Ledger.

12.2 We understand that the School may consider that for our child to continue from Middle School to Senior School is not in our child's best interest or in the interests of the School. We understand that student entry to each of Years 10 and 11 is not automatic and that our child will only be able to enter these Years at the School by being selected by the School on the basis of the child's:

- a. general academic performance,
- b. continued satisfactory application and participation across the School's program, and
- c. attitude and behaviour.

We understand that the School will give us reasonable notice if the School is not offering our child a place in Year 10 or Year 11. We understand that the Head of Barker College will make this decision after consultation with us.

12.3 We acknowledge that Barker College is a Christian community and that behaviours and attitudes based on Christian values and teachings are encouraged. We agree that all communication between students, staff members, parents/guardians and visitors should be conducted in a courteous and respectful manner. We agree to avoid confrontation and criticism in public and accept that there is no place in the School community for sarcasm, derogatory remarks, inappropriate familiarity or offensive comments.

12.4 We agree to support the values and to abide by the rules of the School as set out in the appropriate publication such as the School Diary, relevant Student Handbook, Barker Bulletin, Barker website and other brochures or communications from time to time. We note that our child must do the same and we agree to encourage our child to support the School's values and abide by its rules. We have noted the School's requirements in relation to behaviour management, home study, uniform, attendance and leave.

We will ensure that our child is always neatly dressed and well-groomed as required by the School and that uniforms and other clothing are always kept in a state of good repair.

12.5 We accept that the School may determine which particular courses and activities are offered and/or provided at any time and which of these courses and activities are compulsory. We accept that the School may at all times determine to which Classes, Houses and Tutor Groups our child will belong.

12.6 We understand that all students must attend and participate in the following activities, as determined by the School from time to time;

- a. Chapel Services, Assemblies and other designated Corporate Activities;
- b. the School's sporting program including inter-school sporting occasions which commonly include Saturdays;
- c. important School events such as Celebration and other events as required by the Head of Barker College, from time to time;
- d. various camps and excursions that occur from time to time as an integral part of the School curriculum; and
- e. co-curricular activities in which our child may be involved.

12.7 We understand that requests for leave from School activities, including academic and co-curricular activities, and for early departure at the end of term and/or late return from breaks, are considered only in the most extreme cases and must be applied for in writing to the Deputy Head - Operations.

12.8 We accept the School's Behaviour Management Procedure, an excerpt of which is contained within the School Diary, and the Student Code of Conduct. We agree to support the administration of the School's Behaviour Management Procedure. In particular, we accept that the Head of Barker College may in his absolute discretion, but subject to affording procedural fairness, suspend or dismiss our child for breaches of School rules or unacceptable behaviour or where we have failed to comply with these conditions of enrolment.

12.9 We understand that the School expects all parents/guardians to be actively involved in the School through attendance at parent-teacher interviews and parent forums, participation in courses offered by the School relevant to our child's education and assistance to the School in a voluntary capacity from time to time.

12.10 We agree that the Head of Barker College may terminate our child's enrolment if the Head considers that a mutually beneficial relationship of trust and cooperation between us and the School has broken down to the extent that it adversely impacts on that relationship.

12.11 We acknowledge that the Head of Barker College may, by giving us reasonable notice, ask us to remove our child from the School at the end of a school year where our child has, in the Head of Barker College's opinion, failed to meet the requirements of NESA or has otherwise failed to make satisfactory progress in academic work.

13. Health and Wellbeing

13.1 We acknowledge that we have fully disclosed any special needs (including, but not limited to, any medical, physical, learning or psychological needs) which our child has. Where any disclosed special needs change or where any special needs arise, we agree to notify the School immediately.

13.2 We understand that we are required, prior to our child commencing at the School, to complete the School's Medical Form and, if required, provide a Health Management Plan completed by our child's General Medical Practitioner (or other Medical Specialist as may be required) to be kept by the School.

13.3 We undertake to provide and keep updated:

- a. accurate and complete information regarding the physical and psychological health of our child on a regular basis; and
- b. any Health Management Plan on an annual basis.

We will also provide an updated School Medical Form for our child when requested by the School, particularly in connection with any School camp, excursion or other activity.

13.4 We agree to pay all medical and ambulance expenses incurred on behalf of our child. We also agree to pay a fee for Medical Insurance for our child and note that this fee is included as part of the Activity Charges.

13.5 If our child is ill or injured, necessitating urgent hospital and/or medical treatment (for example injections, blood transfusions, surgery), and if we are not readily available to authorise such treatment, we authorise the Head of Barker College or, in his absence, a responsible member of the School Senior Executive to give the necessary authority for such treatment.

13.6 We acknowledge that the School seeks to maintain an environment that is safe for all students and in which learning can successfully and effectively take place. We agree to support the School in this regard. We also acknowledge that, to this end, the Head of Barker College or his delegated representative may search our child's bag, locker or other possessions or electronic devices (such as tablets and mobile telephones) where there are reasonable grounds to do so. The Head of Barker College or his delegated representative may also carry out computer surveillance which includes using software or equipment to monitor use of computers and other electronic devices, the sending or receiving of emails, the accessing of websites and the use of social media.

13.7 We understand that the School requires parents/guardians to observe the School's security procedures for the protection of students from direct contact with those outside the School during School hours or on School activities outside those hours and that we are only to make contact through the relevant School Reception or as otherwise advised by the School from time to time.

13.8 We acknowledge that our child's personal property is not insured by the School and therefore the School does not accept any responsibility for any loss or damage incurred.

14. Privacy

14.1 We acknowledge that the School may, from time to time, collect personal information about parents and students which may be necessary for the School's function or activities.

14.2 We authorise the School to use and disclose information in such a manner as the Head of Barker College may deem appropriate for the purposes of our child's education, health, care, welfare or development. We acknowledge that we have read the School's Standard Collection Notice as published on the School website.

14.3 We give permission to Barker College for our child's name and for photographs and videos of our child to be placed in the School's records, to be displayed from time to time around the School, and to be published in School publications, on its website and in other marketing and promotional material and on social media.

14.4 We agree to advise the Head of Barker College immediately of any changed family circumstance that may affect the emotional, physical or social well-being of our child and to provide to the Head of Barker College any current or future Family Court Orders or other Court Orders relating to us and our child. We note that the School's Privacy Policy deals with the confidentiality of such information.

15. General

15.1 We agree that the School may change these conditions provided it gives us at least two term's notice and that the new conditions take effect from the beginning of a calendar year.

15.2 We agree to give the School immediate notice of any change in our contact details.

Glossary

Registration List - A parent/guardian has submitted the Enrolment Registration Form and their child's name has been placed on the Registration List. This does not guarantee a place for the child. If a parent/guardian wishes for their child to remain on a Registration List only, or there are no confirmed places available, the applicant is selected for an interview based on their priority on the Registration List.

Waitlist - If all places in a year group have been offered, then a child is placed on a Waiting List for entry to the School, in the event that a place becomes available.

Confirmed Place - A confirmed place is when the child can be offered a place which is confirmed through the payment of half the admission fee. This confirmed place is not transferable and non-refundable. Confirmed places are only available in the School's entry years of Pre-K, Kindergarten, Year 3, Year 5 and Year 7. Parents/guardians are required to disclose any learning or physical difficulties in advance of a confirmed offer being made. 80% of available places in any entry year are offered as confirmed places.

School Policies and Procedures

School Policies

Barker College provides education within a caring, ordered Christian family environment:

- where the Christian values of the College are maintained in an Anglican context;
- where each member of the College community is affirmed, valued and challenged;
- where students and staff members are encouraged to strive for excellence in all areas of endeavour to the best of their ability; and
- where young people are prepared for active and responsible participation in the community.

Policies and Procedures

Barker College has a number of School Policies which are located in the School Diary, Student Assessment Manuals and/or on the online Portal, MyBarker:

- Allergy Awareness
- Child Protection
- Data Breach
- Enrolment
- Privacy
- Risk Management
- Social Media
- Surveillance
- Work, Health and Safety, and
- Workplace Gender Equality

Additionally, the student School Diary contains important information on:

- School Code of Behaviour
- Expectations of Students (including sickness, absence, property, uniform, bullying and harassment etc.)
- Acceptable Use of Information Technology
- Academic Integrity
- Assessment rules and conduct
- Preparation and Consolidation Routine
- Internet Portal and Computer Help Desk
- Glossary of Key Words
- Referencing Guide
- Support Organisations and Services

Guidelines for Student Welfare and Anti-Bullying

The School seeks to provide a safe and supportive environment which:

- minimises risk of harm and ensures students feel secure
- supports the physical, social, academic, spiritual and emotional development of students
- provides student welfare policies and programs that develop a sense of self-worth and foster personal development

(a) A Christian Environment

Barker College is an Anglican School which welcomes students from a variety of Christian denominations and other faith traditions.

Barker's educational philosophy is grounded in the precepts of the Christian gospel and in Christian teaching, and Christian values which reinforce all that we do. The School strives to offer each student the opportunity to come to a closer understanding of the Christian faith, and the teaching staff draw upon their personal and professional qualities in ways which provide our young people with a constant example of Christian living.

(b) The House System in the Secondary School

Each student in the Secondary School is a member of a House, a community of students from Years 7 to 12, directed by a Head of House, who is responsible for the welfare and good conduct of the students in the House, and who is the first point of communication with parents/guardians. The progress of each student is also monitored by a Head of House.

All matters concerning the discipline and welfare of a student are reported to, or discussed with, the Head of House concerned. If a student is causing any sort of concern in class, whether in relation to their own progress or in matters of behaviour, the Head of House is consulted as soon as possible.

Most full-time teaching staff are attached to a House. They attend activities with their House Group and are responsible for the structured Pastoral Care Program and for supporting the Head of House when required.

(c) Pastoral Care & Social Education

The Connect Group Leader meets with their Connect group once a week. During this 30 minute period they follow a program coordinated by the Director of Wellbeing. The aim of the program is to ensure that each student in the School is given the necessary help, guidance and care enabling them to grow spiritually, emotionally, and socially so that the appropriate skills are developed to embrace life and its challenges. To achieve this, the program incorporates interactive class activities, multimedia presentations, workshops and speakers.

(d) Counselling

Six School Counsellors (three full-time and three part-time) are available to consult with students and families over problems ranging from learning, behavioural, and social difficulties to complex emotional disturbances. They are also available to consult with staff members who may have their own concerns. The Counsellors are independent of the teaching hierarchy and other School structures so students, families and staff members may be assured of impartiality and confidentiality.

(e) Child Protection Policy

The safety, protection and well-being of all students is of fundamental importance to the School.

Child protection legislation covers a range of different obligations relating to the safety, protection and welfare of students including:

- a duty of care to ensure that reasonable steps are taken to prevent harm to students;
- obligations under child protection legislation; and
- obligations under work health and safety legislation.

The purpose of the Barker College Child Protection Policy is to summarise the obligations of child protection legislation on the School and on staff members, contractors, external providers and volunteers at the School and to provide guidelines as to how the School will deal with certain matters. The Policy is amended from time to time to take into account amendments to legislation and regulations.

It is a condition of employment at Barker College that any staff member who becomes aware of any allegation of abuse or neglect of a child by a staff member, contractor, external provider or volunteer, or becomes aware of any allegation of misconduct by a staff member, contractor external provider or volunteer that may involve abuse or neglect, must immediately report that information to the Head of Barker College.

(f) Anti-Bullying

At Barker College, it is everyone's right to feel safe and valued. Barker actively promotes respect for and tolerance of individual differences. Staff, students and parents/guardians support a climate of respect and care for others.

Bullying in all its forms — physical, emotional and verbal — is totally unacceptable. The School recognises that bullying can occur face-to-face, through written means, by mobile phones, text messages and online. It can also include being ignored and excluded.

The School is committed to minimising all forms of bullying and harassment, and has systems of pastoral care, reporting and discipline which respond immediately to cases of bullying when they arise. While recognising the School's first priority is to support victims of bullying, the School will also provide support and guidance for the bully.

Policies for Complaints and Grievances

The School has procedures for dealing with complaints and grievances which include processes for raising and responding to matters of concern identified by parents/guardians and/or students. These procedures incorporate, as appropriate, principles of procedural fairness. All complaints and grievances are treated seriously, and, as far as is possible and appropriate in each individual case, will be dealt with in accordance with the following:

The complaint will be investigated. This will involve speaking to the person about whom the complaint is made and perhaps to other relevant staff members, to parents, or in particular situations, to students, where a student has made a formal complaint against a teacher, or a teacher has made a formal complaint against a student. In every circumstance, the School will keep the matter confidential as far as is reasonably practicable.

Barker College prefers to resolve grievances from within the School. However, in some circumstances, it may be appropriate for the member of staff or the School to involve relevant authorities outside the School.

Barker College encourages student comments regarding any aspect of their experience at School or in a School-related activity. Barker College especially appreciates a student's willingness to take the time to bring us any complaint they may have as it gives the School the opportunity to resolve any concern and to improve the School's performance.

Students are encouraged to speak to their Head of House in the Senior School, Head of House in Middle School, or Head of Junior School to raise their concern. These staff members have a special responsibility for the welfare and well-being of students and will know how best to help and, where necessary, to suggest the best person to whom the student should speak. It is considered that an initial conversation may help the student to clarify some of the

issues, and will help the School to understand how best to assist.

Any student who would prefer not to speak to their Head of House or Class Teacher, is encouraged to speak to one of the School Counsellors, or to another teacher they know well.

Students, if they prefer, can write a letter or send an email to their Head of House, or Class Teacher who will be able to direct their letter or email to the right person.

Procedure for Discipline and Behaviour Management

Barker College complies fully with the requirements of the Education Reform Amendment (Corporal Punishment) Act 1995. Pastoral care at Barker College involves a comprehensive and diverse range of activities. The processes set down in the Behaviour Management Procedure are only one part of a pastoral care system that also recognises appropriate behaviour, and rewards effort and excellence.

Pastoral care and Behaviour Management are based on:

- Self-respect
- Respect for others
- Respect for the School

This recognises the right of individuals to learn and develop to their full potential in a safe, positive and supportive School environment. All procedures in relation to pastoral care and behaviour management recognise that:

- There are times when individual circumstances may need to be taken into account
- The procedures must remain flexible

Senior staff members, in consultation with the Head of Barker College where relevant, have the discretion to take any disciplinary action which they feel is fair, consistent and appropriate for the individual student and to the circumstances.

For this Behaviour Management Procedure to be successful, it is expected that staff members will communicate effectively with students, pastoral carers and among themselves. Each staff member must take personal responsibility for ensuring that the procedures are implemented consistently and fairly.

Barker College is committed to discipline and behaviour management procedures which are based on procedural fairness.

Barker College will ensure that the use of Corporal Punishment in any form is prohibited and will not allow Corporal Punishment to be carried out by a third party as a response to a discipline issue.

Aspects of the School's Behaviour Management Procedure relating to the expectations of students can be found in the Student Diary and on the School portal MyBarker via the [Promoting Positive Relationships](#) booklet.

In 2022 a review of the behaviour management framework was undertaken. Led by one of the Deans of the Middle School, the new approach to behaviour management was entitled Promoting Positive Relationships. This new framework codifies elements of best teaching practice and pastoral support that will give all Barker students the best chance to thrive, identifies routines and standards for staff and students that provide certainty and consistency; promotes a system to recognise exemplary student behaviour so that students are rewarded for laudable character traits alongside academic merit; and established procedures to enable appropriate restorative and disciplinary responses to unacceptable student behaviour, and provisions for fairness.

School Improvement Targets

The following table details some of the achievements of 2022 as well as priority areas for School future improvement. The Look Up, Look Beyond Strategic Plan sets out the long-term vision for the School and centres around four Strategic Domains which provide the framework for both current and future initiatives within our School.

Promotion of Respect and Responsibility

General Student Responsibilities

All students are expected to conduct themselves with appropriate respect for others, themselves and their peers. The School Code of Behaviour (found in the School Diary) and [Promoting Positive Relationships](#) found in the School Portal for parents, students and staff, outlines regulations and practices that Barker students are expected to uphold. The practices and regulations listed hold at their core a respect for the student themselves as well as a respect for others (peers, staff and members of the wider community). Students are expected to be honest in their dealing with one another and with staff, and are expected to take responsibility for their actions.

The five Barker Values of commitment, compassion, courage, integrity and respect are consistently referred to as a model for students to follow.

Junior School

The Junior School aims to provide a safe and supportive environment where each student who attends the Junior School exercises their human right to be a part of a social community where they are free from physical and psychological harm.

At the core of the Barker College model of wellbeing is the Christian and spiritual framework upon which all aspects of an individual student's welfare rests.

The wellbeing program functions in partnership with the School community through a system of relationships, rules, rewards and sanctions designed to develop self-discipline.

A student is encouraged to learn to relate to others in a Christian way with a caring approach. They need to develop respect for themselves and others through appropriate social behaviours and attitudes. They should be self-reliant and respect the feelings and rights of others.

Teachers adopt a constructive approach to discipline. They strive to foster self-esteem through positive reinforcements, rewards and opportunities for success. Praise is an important element.

A student wellbeing session is timetabled for each class each week. This program is organised through the House system or the classroom. The Director of Students develops a program that is administered during these sessions. The focus for these programs is developing positive peer group relationships and the use of many strategies including role playing and group discussion to enhance respect and responsibility.

One aspect of the House program is the student Buddy system. Each year, all new students who join the Junior School participate in an orientation and peer support program that plays an important role in communicating the expectations of the School and in assisting new students to settle into the Barker environment. New students are linked with a Year 6 Buddy who assists them during the orientation stage and

the first few weeks of the new school year. To facilitate this program all current Year 5 students undertake a leadership training program in Term 4 in preparation for taking on their role as a House Buddy. At Orientation Day in November, all new students are involved in a number of activities to assist the integration of the new students. This program provides a strong leadership opportunity for students entering Year 6 the following year.

Secondary School Initiatives

Many day-to-day activities promote respect and responsibility at Barker. During each school week, all students attend the following:

Chapel

The Christian ethos permeates throughout all aspects of student life at Barker. At Chapel students hear of the Christian gospel, teachings and values that underpin all that we do. The School strives to offer each student the opportunity to come to a closer understanding of the Christian faith, and the teaching staff draw upon their personal and professional qualities in ways which provide our young people with an example of Christian living.

Assembly

Once per week, students attend Assembly where they listen to guest speakers, general notices about the day-to-day running of the School, music performances and items presented by various student bodies (Prefects, Sporting representatives, students participating in Debating or Drama productions).

Pastoral Care and Social Education

Pastoral Care of all students is vital to the development of each individual student and is a primary concern of every member of staff at Barker. In the Secondary School for 30 minutes each week, students explore a program delivered through Connect Groups.

Guest Speakers

The following provides a snapshot of some of the guest speakers and presentations made to various year groups that have promoted respect and responsibility to students in 2023:

- Ysafe-Online Safety Years 7,8,9
- Brent Sanders - Years 10,11,12 Respectful Relationships
- Yourchoicez - Years 9 & 10 Respectful Relationships
- Michelle Chevalley Hedge - Wellbeing Week
- Dr Kristy Goodwin - Wellbeing Week
- Dr Darren Morton - Wellbeing Week
- Dr Marshall Ballentyne Jones - Wellbeing Week

- Batyr — Year 9 Mental Health
- Constable Lynda Hart — Year 10 Party Safely
- Red Frogs - Schools Safety Year 12

Student Service Leadership

In 2023 the School built on our existing programs and introduced new programs in Service Learning.

In Year 7 we continued with the theme of the Environment. There was a committed group of students that undertook paper recycling across the school. We also connected with Hornsby Council and the local Bush care team to care for our local bush reserve at Netherby St, Wahroonga. Students learnt about the noxious weeds and did some gardening and cleaning to sustain the bush reserve.

In Year 8 we have focused on the theme of Care. In July, Year 8 participated in a Service Learning Day: "A Heart for Service". This saw all of our Year 8's participating in Service Learning activities throughout the day ranging from writing their own stories specifically tailored to students at Ngarralingayil Barker, creating sanitary kits for the charity Days for Girls and cooking for Dignity Dishes. Year 8 students also had the opportunity to engage with residents at Wahroonga House.

Our Year 9 students focused on the theme of Community and continued to work with local charity Hornsby Connect. Students volunteered in House Groups at the centre, organising stock and handing out groceries to members of our community in need. It provided a wonderful opportunity to connect with and serve vulnerable people in our local community. Year 9 Duke of Edinburgh students also cooked meals for the charity Dignity Dishes, who distribute home cooked meals to people in need.

Year 10 focused on the theme of Education. Year 10 students continued to build the relationship between our neighbouring school for additional needs: Clarke Road and Barker College. Students attended Clarke Road weekly and assisted in their classes with a range of activities from arts and crafts, to cooking and science. Students were also privileged to be involved with the annual events at Clarke Road, such as the swimming carnival, athletics carnival and the Bush dance. In keeping with the theme, we resumed the student mentoring program with both Darkinjung and Ngarralingayil Barker. Students have had the opportunity to mentor Darkinjung students on their fortnightly visits to Hornsby campus, in the areas of music, tennis and in class. Similarly, small groups of Year 10 students enjoyed the opportunity to head North and to work with Ngarralingayil students, mentoring in maths, reading and robotics.

Year 11 and 12 focused on the theme of Leadership. Students led drills and games fortnightly at TimeOut Basketball, a session where members of the community with disabilities can join us in a friendly game of basketball.

Our Senior School students also worked with Hornsby- Kuring-gai Women's Shelter, volunteering at a fundraising evening and running the BBQ at our annual Sports Gala Day in June. Year 11 and 12 also participated in the Red Shield Appeal for the Salvation Army at Hornsby Westfield. The students willingly gave up their weekend to collect money for a worthwhile cause. This year we were honoured to receive the 'Hornsby Salvation Army Red Shield Appeal Schools Challenge' Award, with Barker College students raising the most funds in comparison to other local schools. Finally, the Seniors also volunteered at the Lifeline Bobbin Head Cycle Classic, where students facilitated the event which raised money for suicide prevention.

Students can also engage in Service Learning by joining the following lunch time clubs: Footprint & Create for a Cause. The whole school also celebrates and donates to the House Fair, which raises funds for the 16 House Charities. The Anglicare Toys 'n' Tucker giving campaign brought the Middle and School Senior School College together to donate toys and food. The hampers, packed by Year 10 and Footprint, were distributed to families in need and shares the joy of the Christmas season.

Parent Satisfaction

Barker College is committed to listening to the views and expectations from key stakeholders and commissions independent surveys to provide performance feedback on a wide range of related education topics.

The feedback from these surveys greatly assists the School with both its operational and strategic planning and its determination to continually improve the educational experience offered to the students.

Various communications and workshops/presentations for the parent community throughout 2023 provided opportunities for parents to respond to the School. In addition, the MMG survey to various intake year groups, provided valuable feedback and identified several areas for ongoing focus and continual improvement.

In 2023, 663 parents from selected year groups participated in the MMG survey and provided views on such areas as academic performance, pastoral care, Christian studies, co-curricular non-sport, sport, communications, reputation and facilities.

A selection of the parents' top level findings are detailed below, ranked in order of the importance the parents placed on reasons for choosing a school for their children.

The top five areas are noted below:

1. 91% of parents noted their expectations were met or exceeded in relation to the Quality of teaching
2. 92% of parents noted their expectations were met or exceeded in relation to the Focus on student wellbeing

Student, Teacher and Parent Satisfaction

3. 98% of parents noted their expectations were met or exceeded in relation to a Balanced Education
4. 98% of parents noted their expectations were met or exceeded in relation to The Head of Barker College's leadership
5. 97% of parents noted their expectations were met or exceeded in relation to the range of subject choices

Parents were asked to provide open responses to the most valued aspects of Barker College. The most frequently nominated aspects were:

Safe, caring & supportive environment

Quality, balanced, well-rounded education

The College culture, vision, mission & values

The College community

Quality of teachers and staff

Student Satisfaction

While all students are required to participate in compulsory sport, their participation in voluntary co-curricular programs, such as music, drama, cadets etc. highlights their satisfaction and enjoyment of these programs. Approximately 50% of all students in the School are involved in the Music program, for example.

There is a high retention rate of students and the significant support by students of School events. For example, sporting and drama events highlight the level of School spirit displayed by Barker students.

Teacher Satisfaction

- Leadership: Several professional development initiatives were sustained during the year including the Middle Leaders' Course offered in partnership with The Training Guys. A significant number of middle managers and assistant managers at the School completed this course which was also offered to aspiring leaders.
- Further professional leadership initiatives include staff in leadership positions who have engaged in the AISNSW Flagship Leadership programme. Heads of Department and leaders in the Junior School were also involved in a leadership course for middle managers that was specifically designed to respond to the School's context and middle leadership requirements as these relate to the implementation of the International Baccalaureate IB Primary Years Programme (PYP) for children aged 3 – 12.
- Joining 200 organisations across Australia, Barker College is committed to building a mentally healthy and supportive workplace culture. With 9 accredited Instructors, over 300 staff trained as Mental Health First Aiders, and regular courses offered in Youth Mental Health First Aid to staff and families, the School will implement the Teen MHFA Program commencing in Year 7 and for boarding in 2024.
- The Barker Common Room Staff Association has three individual chapters for the Junior School, Secondary School and Support Staff and contributes to the positive morale and social wellbeing of the staff. The respective elected officers meet once a term with the Head of Barker College to discuss matters raised by its members.
- Teaching Staff are surveyed in August each year to seek their preference for classes in the following academic year. Most teaching staff have their requests accommodated.
